EXPERIENCE

Full Stack Developer

Arifpay

📅 02/2021 📍 Addis Ababa

Arifpay is Ethiopia's first and largest fin-tech company. It aims to digitize payment and point-of-sale systems, and is backed by a number of well-known players.

I am in charge of the payment gateway service's development and management. I work on the frontend (React and Flutter) as well as the backend (spring boot microservices). I'm also acquainted with server deployment and optimization.

- Payment Dashboard (flutter for mobile and react for web).
- Created Virtual Cards and Accounts for users.
- Checkout Restful API for Developers.
- Payouts, Transfers, Topups and utility payment.

Senior Developer

Aquila ICT Solutions

📅 02/2020 📍 Addis Ababa
